

Application to become a member of the Association Kangourou Sans Frontières (AKSF)

The Association Kangourou Sans Frontières is an independent association, formed according to the provisions of the French law of 1st July 1901. It aims at promoting the dissemination of basic mathematical culture by every possible means and, particularly, by organizing the Kangaroo game contest taking place on the same day in all the countries concerned.

Details of the applicant corporation (proposed to be a member)	
Country	
Name of applicant corporation	
Legal status in the country (type of corporation)	
Registration number (please attach a copy of the relevant legal document)	
Name of head of corporation	
Name of representative of corporation being nominated as agent to AKSF	
Email address of representative	
Cell phone number of representative	

Contact details of the applicant corporation (as to be officially published)	
Address	
Telephone number	
Email address	
Website	

References for the organization (names and contact details; please note that one referee must be a current active member of AKSF)	
1.	
2.	
3.	

Experience in organization competitions or events with pupils	
1.	
2.	
3.	

We would like to become members of the AKSF and run the Kangourou contest in our country on the following basis:

(Please include answers to: How you plan to organize the Kangourou competition in your country? In how many years do you plan to organize it at a national level? What is the expected number of participants? What levels do you plan to cover? What fees do you plan to charge per participant/school?)

--

We declare that I have read the By-laws and the Internal Regulations of AKSF (available on <http://www.aksf.org>).

Signature of a person authorized to sign on behalf of the corporation	
Full name of the person who signed above	
Signature of the representative of the corporation being nominated as agent to AKSF	
Official stamp of the organization	
Place, date	

Please email the completed application form to info@aksf.org. Your application will be considered by the Board of the AKSF. If the Board agrees to support your application, you will be invited to make a presentation to the Board via Skype conference, or you will be invited to send a representative to the Annual Meeting of the AKSF, where the problems for the next year are selected. If your application is successful, the Board will propose to the General Assembly that the corporation should become a provisional member, or you may organize the competition as a pilot project with the help of one of the Board members. The corporation may become a member according to the By-laws of AKSF.
